### **DETAILED ACTION**

This is a reply to the Applicant's amendment submitted on 03/17/2005. According to this amendment, claims 1-16 are currently presented in the instant application.

#### ***Allowable Subject Matter***

1. Claims 1-16 are allowed.

#### ***Reasons for Allowance***

2. The following is an examiner's statement of reasons for allowance:

The closest prior art fails to disclose or fairly suggest:

A semi-digital delay-locked loop including an *analog* based finite state machine having an up input connected to the up output, a down input connected to the down output, and phase output connected to the phase input of a controllable delay element, in which the analog based finite state machine generates the phase data in response to up signals and down signals received from the phase detector, in combination with the remaining claimed limitations, as called for in claim 1.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
